## READ ME!

To whom this may concern.--Greeting:

Dear friends: This appeal comes to you unasked for by only the subscribers to it. We wish to say that we are citizens of Muskogee and the Creek nation, Knowing as we do the condition of the First Baptist church of this city, its needs, etc., and knowing that if it is allowed to stand as it is through the winter, that these good people will not only loose what they have done but will be without a place in which to worship, we have therefore joined ourselves together and ask all who will to join in protecting these walls by putting a roof on that building. We have selected the Creek Bank as the place where you can go and make your deposits in favor of this church. We can assist railroads and other enterprises, lets help the church we will thank all who will to contribute to this worthy cause.

Respectfully,

R. Wood, President.

Dr. R. H. Waterford, Vice Pres.

H. A. Brooks, Vice President.
